

ACKNOWLEDGEMENTS

With the accomplishment of this study, I am very grateful to many individuals. Firstly, I would like to thank Assistant Professor Vimolchaya Yanasugondha, my advisor for the independent study, for giving me the support to work on the study also her suggestion to keep me focused. Secondly, I would like to thank Thai Airways International Plc., the organization I have been working with, for inspiring me with the idea of this study, also my colleagues at Thai Airways. They are so supportive. Thirdly, I would like to express my appreciation to my beloved parents and everyone in my family. They are always my willpower in studying. Lastly, thanks to Dhom and Spencer, my best friends, who are very helpful and believe in my competence.
