

ACKNOWLEDGEMENTS

I would like to extend my heartfelt appreciation to many people who have been of great help in the research paper accomplishment.

First of all, my deep appreciation goes to Assistant Professor Sripatum Noom-ura, my adviser who provided me with valuable advice throughout my research.

My deepest gratitude to my beloved mother who has dedicated herself since the first minute I was born, and has encouraged me to overcome all the obstacles in my personal and academic life.

I would like to express my gratitude to all instructors for their good intention to give me knowledge, to all my classmates for sharing great moments together in this Language Institute.

Lastly, my expression of thanks from my heart goes to my dearest Alex whose loving support, patience and understanding encourages me to achieve my goal.
