

## ACKNOWLEDGEMENTS

This study could not have been accomplished without the great assistance and support from many people. I would like to express my sincere gratitude firstly to Assoc. Prof. Kamolrat Jaratrasamee, my advisor of this study, for her invaluable guidance, kind support, and great patience during the entire process of conducting this study.

I wish to thank all the respondents and friends who helped me distribute and complete the questionnaires without any reluctance. Also their suggestions or comments were extremely useful.

Lastly, I would like to give a big thanks to my family for their great support, kind understanding, effective advice, and for always being there for me.
