

ACKNOWLEDGEMENTS

First of all, I would like to thank Associate Professor Suree Kongsomjit, my advisor, who devoted her precious time giving me advice and guiding me regarding how I could carry out this research successfully. I am also grateful to every teacher who has spent his/her time teaching all of my classmate and me. Moreover, more thanks to all the staff at the Language Institute for their cooperation, and to my classmates for encouraging me to keep on working on the study. Lastly, I would like to thank my parents and family who created me, raised me, and helped me to become who I am today
