

ACKNOWLEDGEMENTS

It would have been impossible to complete this independent study without the great support from many groups of people.

First of all I would like to express my gratitude to Associate Professor Dr. Damrong Attaprechakul, my advisor who provided me with valuable advice and constructive comments. Also, thanks to all the instructors and the classmates in the language institute and to the teachers in Assumption College Samutprakarn who responded to the questionnaire.

Also, I would like to express my total appreciation to my family especially my grandmother who always gave me courage.
