

## ACKNOWLEDGMENTS

This research study has been successfully completed with a lot of help, support, supervision, patience and helpful suggestions. I would like to take this opportunity to express my appreciation to all people who have contributed in the completion of the study. My research study could not have been accomplished without the following:

First of all, Assistant Professor Kittitouch Soontornwipast, my very nice independent study advisor for his patience, invaluable suggestions, understanding and encouragement throughout my study;

The four experts in the Faculty of Humanities at Naresuan University; Dr.Narat Karnpracha, Dr. Payung Cedar, Mr. Issara Khongme and Mr. Pat Wattanasin, for their kindness helped to improve and ensure the satisfactory quality of my questionnaire;

Thanks to my best colleague, Ajarn Suwanan Sopatanaroj and my good friends, Mr.Anupong Sukparsert and Mr.Chanwit Kaewtapi, for helping me with additional information and suggestions in doing the SPSS;

My first year students at Naresuan University for their participation in the survey questionnaire;

My American friend, Mr. Richard Michael Glover for his big help to improve my language and correct some mistakes;

All the M.A. (TEFL) teachers at Thammasat University for fulfillment my wisdom and changing me to be a qualified teacher;

My TEFFL 9 classmates for being nice, kind and supportive throughout the program;

Khun Add for additional help whenever needed;

My family and relatives for their unconditional love;

Finally, others whose names are not mentioned here for their beneficial advice and support.
