ACKNOWLEDGEMENTS

I would like to express my deepest gratitude to my adviser, Assoc. Prof. Dr. Nantana Ronakiat for her great help, academic suggestions, guidance and dedicated attention which enabled me to complete this study.

My deep appreciation goes to Thanpooying Angkarb Boonyadhiti, the principal of Chitralada School, and to Ajarn Ratana Vichayanaratana for permission to conduct this research with Chitralada students.

Special thanks go to ten M.4 students at Chitralada School who voluntarily participated in the perception and production tests.

I also wish to express my thanks to Ajarn Emily Smith, an English teacher at Chitralada School, for her clear pronunciation in the perception test, Ajarn Jarinthip Worakitsawat and Ajarn Suttida Chaijit, my colleagues at Chitralada School, for their assistance on the data collection process.

My thanks also go to Khun Add, a great sister of all MA–TEFL students, for her valuable reinforcement; Ajarn Dr. Narinthip Thongsri and Ajarn Trevor Smith, my colleagues at Sukhothai Thammathirat Open University, for their academic suggestions.

I am grateful to my lovely boss at Sukhothai Thammathirat Open University, Assoc. Prof. Suparat Lertpanichkul for her understanding and support.

Finally, I would like to extend my heartfelt gratitude to my beloved parents for their love, dedication, encouragement and support in every single step of my life.
