

ACKNOWLEDGEMENTS

I would like to express my gratitude and appreciation to my advisor, Assoc. Prof. Sucharat Rimkeeratikul who rendered her support for the success of this study.

Very special thanks to Mrs. Thippawan Wongchukaew, Ms. Pimporn Issarathammanoon and Mrs. Thasanee Ayutaka who were my representatives in distributing the questionnaire to their colleagues. With their generous help, the response was 100 per cent. A special gratitude to my interviewees; Ms. Chanida Bhutawang, Ms. Sawitree Manniyom, Mrs. Thippawan Wongchukaew and Mrs. Natkanok Supsa-aard. Their insightful information was very useful.

My heartfelt appreciation goes to Ms. Anusarapatr Viriyapiti who was always available to assist me with SPSS data entry, which was the most critical part of this project.

Last but not least, I would like to thank all of the respondents; female white-collar workers in all selected companies in the Sathorn area for their time and invaluable information. The project could not have been completed at all without them.
