

ACKNOWLEDGEMENTS

I would like to express my gratitude and sincere appreciation to my advisor Ajarn Wanida Phankaeo for her valuable guidance and advice throughout this study.

My immense gratitude is extended to all instructors and especially to the staff at the Language Institute, Thammasat University, for their kind support and help.

Special thanks to my lovely best friends who helped me distribute and retrieve the completed questionnaires at Wachirabenchatat Park. Moreover, I would like to thank all of the respondents visiting Wachirabenchatat Park for their kind cooperation in providing me with valuable information to make this study successful.

Most significantly, I am grateful to my dear family who gave me great support and encouragement during my hard time studying.
