

## ACKNOWLEDGEMENTS

This research could not be completed without the support, assistance and encouragement of several people. Firstly, I would like to express my gratitude to Asst. Prof. Sripatham Noom-ura for her invaluable advice and guidance in conducting this research. Moreover, my thankfulness is extended to all my instructors and staff at the Language Institute, Thammasat University for providing me with very useful knowledge and convenient facilities.

In addition, I would like to thank all the teachers and students from Satri Watrakang School, Chinorotwittayalai School, Suwannaram Wittayakom School, Watdusitaram Secondary School and Suananant School for their helpful cooperation in completing my questionnaires. Without their assistance, my research could not be completed.

Furthermore, high appreciation is given to all my bosses, all my colleagues at Nestle (Thai) Ltd., and all my friends who always supported me in terms of useful information, valuable suggestions and grateful encouragement. Without them, I might have encountered more difficulties in studying this post graduate level and completing this research.

Lastly and most importantly, my deep gratitude is expressed to my father for his unlimited assistance, unbounded support and grateful encouragement leading me to overcome many obstacles in my study and my life.
