### **Interview**

Ms. Supara Janchitfah, a senior reporter of well-established local English daily *Bangkok Post*. I talked to her via phone on May 7, 2007. As far as I have concerned, Ms. Janchitfah has been familiar with the southern issue for many years. I decided to learn opinion from her because I found her work focus on marginalized voice in the south.

Mr. Supalak Ganjanakhundee, a senior reporter of local English daily *The Nation*. I talked to him on phone on May 8, 2007. Mr. Ganjanakhundee has been covering issues in Indochina and Southeast Asia for many years. He is also my senior friend who advised me a lot about news issues in the region. I decided to learn viewpoint him because he is a veteran journalist who used to work with an international news agency.
