| ABSTRACT.....                                                                      | ii   |
| ACKNOWLEDGEMENTS.....                                                              | iii  |
| CONTENTS.....                                                                      | iv   |
| CHAPTER                                                                            |      |
| 1. INTRODUCTION.....                                                               | 1    |
| 1.1 Background.....                                                                | 1    |
| 1.2 Statement of the Problem .....                                                 | 2    |
| 1.3 Objectives of the Study.....                                                   | 2    |
| 1.4 Definition of Terms.....                                                       | 2    |
| 1.5 Scope of the Study.....                                                        | 3    |
| 1.6 Significance of the Study.....                                                 | 3    |
| 1.7 Organization of the Study.....                                                 | 3    |
| 2. REVIEW OF LITERATURE .....                                                      | 5    |
| 2.1 The Importance of the Intelligible English Pronunciation.....                  | 5    |
| 2.2 Tone: A Characteristic of Thai Language.....                                   | 6    |
| 2.3 The Phonological System of Thai and English.....                               | 8    |
| 3. METHODOLOGY.....                                                                | 23   |
| 3.1 Content.....                                                                   | 23   |
| 3.2 Instruments.....                                                               | 23   |
| 3.3 Procedures.....                                                                | 23   |
| 3.4 Data Analysis.....                                                             | 23   |
| 4. RESULTS.....                                                                    | 24   |
| 4.1 The Differences of the Phonological Features Between<br>Thai and English ..... | 24   |
| 4.2 English Pronunciation Problems of Thai People.....                             | 26   |

|                                                      |    |
