

## ACKNOWLEDGEMENTS

For the completion of this thesis, I would like to express my deepest thankfulness and appreciation to everyone whom I am indebted to. Firstly, I would like to express my sincere gratitude to my major advisor, Professor Dr. Vithoon Viyanant, Faculty of Allied Health Sciences, Thammasat University, Rangsit Campus, Pathumthani, Thailand, for his invaluable and unlimited advice, supervision, encouragement, and support throughout this study. My gratitude and appreciation are extended to Dr. Hans Rudi Grams, Faculty of Allied Health Sciences, Thammasat University, Rangsit Campus, Pathumthani, Thailand, my supervisor, for his suggestion, kindness, understanding, insight and resources which facilitated the speedy completion of this study. Without his virtues, this study could not have been accomplished.

I am gratefully indebted to Professor Dr. Wanpen Chaicumpa, Faculty of Allied Health Sciences, Thammasat University, Rangsit Campus, Pathumthani, Thailand, for her invaluable suggestions, encouragement and kindness.

I would like to thank Assistance Professor Dr. Suksiri Vichasri-Grams, Department of Biology, Faculty of Sciences, Mahidol University, Bangkok, Thailand, for invaluable advice and guidance. My acknowledgement express to Professor Dr. Prasert Sobhon, Department of Anatomy, Faculty of Sciences, Mahidol University, Bangkok, Thailand, for his kind acceptance to be my chair and external thesis examiner.

My special thanks and deep appreciation are extended to Professor Dr. Günter Korge, Dr. Annemarie Hofmann, and colleagues at Institut für Genetik, Freie Universität Berlin, Germany, for their kindness, advice, and critical suggestions during my one year research period in Germany.

Thanks to all of my seniors, juniors and friends, for their friendship, helpfulness, understanding, invaluable assistance, and kindness.

I also would like to acknowledge the financial supports from the Thailand Research Fund and Royal golden Jubilee Ph.D. program and the German Academic Exchange Service (DAAD).

Finally, I would like to express my deepest gratitude to my dear family for their unreserved love, complete care, encouragement, and support.
