

Prasop Khodmechai 2013: Guidelines to Strengthen the Academic Performance of the Teachers in Occupations and Technology Strand in Sakon Nakhon Province. Doctor of Philosophy (Vocational Education), Major Field: Vocational Education, Department of Vocational Education. Thesis Advisor: Associate Professor Chairit Photisuvun, Ph.D. 159 pages.

This research aimed to develop the guidelines to strengthen the academic performances of the teachers in occupations and technology strand (guidelines). Three phases of this research were 1) reviewing principles for the academic performances, Iddhipada 4 and Su. Ji. Pu. Li., then developed guidelines based on Iddhipada and Su. Ji. Pu. Li. 2) putting guidelines into actions by 14 volunteer teachers and data collections by researcher and 3) finalizing this guidelines by focus group.

The guidelines were as follows 1) teacher, himself, developing positive awareness of the goodness of academic performances (lesson plans, learning media, classroom action research and evaluations) 2) thoroughly understanding of curricular 3) parents - teachers dialogues for all relevant information 4) setting up working committee as helping hands for teachers 5) developing his own lesson plans under guiding of working committee 6) cross checking their own lesson plans 7) implementing those lesson plans and record all needed information.
