

ACKNOWLEDGMENTS

This study was conducted in partial fulfillment of the requirements for a Master of Arts in English for Careers, Language Institute, Thammasat University. I would like to take this opportunity to express my appreciation to all those who supported me during the time of conducting this study.

First of all, I would like to express my heartfelt gratitude to my advisor, Associate Professor Dr. Natchaya Chalaysap for her time, valuable suggestions and helpful comments throughout the process of conducting this study. I would also like to acknowledge Ph.D. Supanee Jivasak-Apimas, my instructor in the Research and Methodology course for providing comments and suggestions during the beginning of my research proposal.

My appreciation is also extended to all instructors and staff at the Language Institute for the knowledge and support given to me throughout the two years of my study at Thammasat University.

I must thank the Mathayom 2 students of Datdaruni School, Chachoengsao province who gave their time to answer my questionnaires.

Many thanks also go to my friends for their concern, friendship, assistance and encouragement. Especially, I am very grateful to Kittiporn Trakarnratti and Anusarapatr Wiriyaapiya for their help in teaching me how to use the SPSS program.

Finally, I would like to express my deepest gratitude to my parents for their love, encouragement, understanding and great support in all the difficult times.
