

## ACKNOWLEDGEMENTS

This study would not have happened without the assistance of several people. First of all, I would like to express my gratitude to my supervisor, Asst.Prof.Kittitouch Soontornwipast for extensive advice and valuable suggestions toward the process of writing this Independent Study. His constant attention encouraged me to go through all the difficulty in writing this research.

I would like to express my deepest thanks to my parents, my sister and my brothers, who have been fully supportive in every way they can and always respect my decisions.

My gratitude also goes to my friends from the “EuroBonus Department” at Scandinavian Airlines for all the support, encouragement and assistance throughout my study in the program.

Finally I would like to thank all my dear classmates especially Miss Chirdkanya Ariyapinyo, Miss Patamaporn Wasuwat and Miss Duangta Jaipetch. I would have not come this far without your supports.
