

## **ACKNOWLEDGEMENTS**

I would like to express my deepest gratitude and greatest appreciation to my advisor, Asst. Prof. Dr. Pratin Pimsarn, for his valuable and beneficial suggestions and guidance through the course of my preparation.

I also would like to acknowledge the year five students at Watbangteoi School who gave their kind operation and participation in this study.

I also would like to express my sincerest and deepest thanks to my classmates in the TEFL program at Thammasat University who always shared essential information and provided encouragement to me in writing this paper.
