ACKNOWLEDGEMENTS

I would like to express my deepest appreciation and sincere gratitude to my major advisor, Associate Professor Kaew Kangsadalampai, for giving me the invaluable opportunity to carry out this thesis, supporting and encouragement. Appreciation is also extended to my co advisors, Assistant Professors Pornrat Sinchaipanit and Sitima Jittinandana for their kindness and valuable suggestions.

I gratefully thank Mr. Dorkngam Sudjom, Miss. Kalyarat Kruawan and Miss Monruedee Sukprasansap for their assistance throughout my research. I would also like to thank all staffs and all my friends in Institute of Nutrition, Mahidol University for their co-operation and friendships. Finally, I greatly appreciate my family for loving, understanding, encouragement and support throughout my study

This research was supported by Research Assistantship scholarship from the Faculty of Graduate Studies, Mahidol University and National Research Council of Thailand Fiscal Year 2012.
