

ACKNOWLEDGEMENTS

I would like to heartily acknowledge my enthusiastic advisor, Prof. Dr. Bungorn Sripanidkulchai, whose encouragement, guidance and support from the initial to the final level enabled me to develop an understanding of the subject. I offer my sincerest gratitude to my co-advisor, Prof. Dr. Michael Jay whose patience and kindnesses, as well as his academic experience, have been invaluable to me. They provided me the great opportunity to work at School of Pharmacy, the University of North Carolina at Chapel Hill.

I am grateful to all my colleges both at the Center for research and development of herbal health products and at School of Pharmacy, the University of North Carolina at Chapel Hill.

Acknowledgements are also made to the Royal Golden Jubilee Ph. D program for providing my scholarship, the National Research Council of Thailand and Graduate school, Khon Kaen University for supporting the research fund, the Center for research and development of herbal health products for facilities and research fund, and Faculty of Pharmaceutical Sciences, Khon Kaen University for studying.

I am forever indebted to my family for their loves, understanding, kindness, endless patience, and encouragement when it was most required.

Lastly, I offer my regards and blessings to all of those who provided me with knowledge from the past, present, and future, either directly or indirectly.
