

Finally, I wish to strongly thank the Thailand Herbal Repository Access Initiative Project (THRAI), the Petroleum Authority of Thailand Exploration and Production Public Company Limited (PTTEP), the CMU Graduate School for financial support in early fieldwork and plant identification both in Vietnam and Thailand, the National Research Council of Thailand, (NRCT) and the Faculty of Pharmacy, Chiang Mai University for financial support in later fieldwork and laboratory research. Special thanks are expressed to the director of Pua Crown Prince Hospital, my parents, and friends for all their assistance and support.

Kannika Panyaphu
