## **ACKNOWLEDGEMENTS**

I would like to express my sincere gratitude and deep appreciation to Asst. Prof. Kanchana Nakhapakorn, and Lect. Worachart Wisawapipat my advisor for their guidance, kindness, supervision, encouragement and helpful suggestion throughout this thesis completely.

I am particularly indebted to Faculty of Environment and Resource Studies, Mahidol University for the partial supporting scholarship.

A large thank on my friends, for their helpful and suggestion.

Finally this achievement dedicate to my family for love and supporting all the time. and i would like to said “My Family are the greatest thing that ever happen in my life

Alongkorn Sukonthamas
