

BIOGRAPHY

NAME Miss Purinchaya Sornmee

DATE OF BIRTH 1 August 1982

EDUCATIONAL RECORD

High School Suratthani School, 2000

Bachelor's Degree Bachelor of Science (Mathematics)
Thaksin University, 2004

Master's Degree Master of Science (Computational Science)
Chulalongkorn University, 2010

Doctoral Degree Doctor of Philosophy (Applied Mathematics)
King Mongkut's University of Technology Thonburi, 2014

SCHLARSHOP Centre of Excellence in Mathematics, Thailand, 2013

PUBLICATION Purinchaya Sornmee and Dusadee Sukawat, "Predictability of educational global climate model under different climate change scenarios", **The 18th International Annual Symposium on Computational Sciences and Engineering**, 17-19 March 2014, Pattaya, Thailand, pp. 227-233.

Purinchaya Sornmee and Dusadee Sukawat, "Performance of Forecasting Model for Average Surface Air Temperature Prediction over Southeast Asia", **International Conference on Discrete Mathematics and Applied Sciences**, 21-23 May 2014, Bangkok, Thailand, Vol 3, No. 1, pp. 1-12.

Purinchaya Sornmee and Dusadee Sukawat, 2014, "A modified Lyapunov exponent and predictability of global warming by EdGCM ", **Far East Journal of Applied Mathematics**, Vol 9, No. 2, pp. 215-231.
