

## **ACKNOWLEDGEMENT**

First of all, I would like to express my sincere gratitude to my advisor, Associate Professor Dr. Kornkanok Ingkaninan for her invaluable advice, useful guidance and encouragement throughout my study. Her patience, kindness and understanding are also deeply appreciated.

Special thanks are expressed to co-advisors Associate Professor Dr. Neti Waranuch and Dr. Sophit Khanthawong for their kind advice and encouragement throughout my study.

I also would like to thank all the members of thesis committee, Associate Professor Dr. Jarupa Viyoch and Professor Dr. Malyn Chulasiri, for their valuable comments.

I am gratefully acknowledged to all staffs in Faculty of Pharmaceutical Sciences and Cosmetics & Natural Products Research Center (CosNat) for their help.

I would like to express my thanks to my family for their endless love, care and encouragement.

Finally, I would like to acknowledge National Nanotechnology Center (NANOTEC), National Research Council of Thailand (NRCT) and the Center of Excellence for Innovation in Chemistry (PERCH-CIC), for the financial support to this study.
