

## ACKNOWLEDGEMENTS

This thesis has benefited from helpful comments made by Associate Professor Dr. Siriporn Wajjwalku, Associate Professor Dr. Corrine Phuangkasem and Associate Professor Prapat Thepchatree. I would like to thank them for their assistance and advice to help me complete my thesis.

For the finalization of my thesis, I would also like to thank Mr. Blair McKellar for his kind assistance to check my grammar. Thanks have to be given to my classmates, Oranute, Panupan, Piyada and Rungnapa for their encouragement and assistance. Thanks must also be given to Miss Kanchana, MIR staff at the Faculty of Political Science who kindly assisted me through the thesis defense and checked the format of my thesis.

Most important, I am grateful for support from my parents especially for the encouragement from my mother. Special thanks must be given to Robert who always gave me support when I was stressed and for helping me search for information on the internet. Finally, thank you Thomas for giving me special strength to eventually complete my thesis.
