

## ACKNOWLEDGMENTS

This research could not have been accomplished without generous support from many people. I would like to express my sincere gratitude to all who contributed to this study.

Firstly, my deepest gratitude extends to my research advisor, Assistant Professor Suree Kongsomchit, for her advice, understanding and encouragement in completing this research.

I would like to thank all the instructors at Thammasat University's Language Institute for giving valuable knowledge and experience that helped guide my research.

Also, my genuine appreciation to Ms. Siriwan Ritruamsup for her coordination and facilitation during my study.

My special thanks go to my classmates at the program especially to Ms. Chutima Rattanasatien and Ms. Wantana Sa-rdphan for their great support and encouragement in completing this research and Ms. Tarnthip for information and suggestions about the research format.

Finally, my profound gratitude goes to my boss and my family for understanding and supporting my research.
