ACKNOWLEDGEMENTS

This study could not have been successfully completed if I had not received sincere assistance and support from many people. I would like to express my sincere gratitude to all of them.

First of all, I wish to express my grateful appreciation to Assoc.Prof. Kamolrat Jaratrasamee, my advisor for this study, for guidance, suggestions, and kind support during the entire process of conducting this study.

I wish to thank my colleagues and friends for their help in the distributing and collecting of questionnaires.

I also would like to express my special gratitude to all the respondents for their kind cooperation in completing the questionnaires.

Finally, I would like to thank my family for their cheerful encouragement, great support, and kind understanding.
