

ACKNOWLEDGEMENTS

I would like to express my deepest gratitude to Aj. Billy T. Carlon, my advisor, for his great help and encouragement throughout the process of doing this research paper. Without his guidance and suggestions, I would not have been able to complete this research. I also would like to thank everyone who supports me,

My parents for their love and support.

My students of General Management Program for their kindness and cooperation.

My TEFL gang for their help, friendship, and companionship that carried me through the obstacles.
