Letter from President George W Bush to
Caretaker Prime Minister Thaksin Shinawatra, dated July 3, 2006

THE WHITE HOUSE
WASHINGTON

July 3, 2006

His Excellency
Thaksin Shinawatra
Prime Minister of the Kingdom of Thailand
Bangkok

Mr. Prime Minister:

Thank you for your letter, and your optimism about the road ahead in Thailand. The United States has watched events in your country with some concern, and as an ally and a friend it is my sincere hope that all parties can find a way forward that respects the great achievements of Thai democracy and sees a fully vested government up and running in Bangkok as soon as possible.

Our two nations' friendship remains strong, and I appreciate your assurance that our good cooperation on issues of vital importance to us both will continue. Free and open political systems can be unpredictable, but the Thai people are resilient and Thai democracy is strong, and I know that your country will emerge from the current situation with a renewed focus on that which makes Thailand great.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read "GWB".
