

Acknowledgement

My sincere thanks to my thesis advisor, Associate Professor Chusak Pattarakulvanit; without his continuous support and endless effort, this thesis would not have been completed. Also, it is an honor for me to be supported by Dr. Prapassaree Kramer and Assistant Professor Dr. Suradech Chotiudompant, the Chair and the member of thesis committee, who have provided valuable reviews, comments, and suggestions. I am particularly grateful for the hard work and invaluable guidance of Mr. Jeffrey Kramer, whose passion for knowledge never ceases to shine.

I am indebted to many of my lecturers at Silpakorn University, who introduced me to the world of art, the necessary instrument for me to survive.

My appreciation goes to all associated staff members of Thammasat University for their willingness to help and substantial advice.

I owe my deepest gratitude to my family for their sacrifice, encouragement, and understanding as being my spiritual guides and friends.

Lastly, I would like to thank my colleagues/friends for their moral support and comradeship and Thanathep Promsuk for his understanding and patience.
