

ACKNOWLEDGEMENT

I would like to express my gratitude to my advisor, Assoc. Prof. Dr. Savitri Garivait, for her guidance, advice, and encouragement throughout the research work. I am also very grateful to my committee members, Asst. Prof. Dr. Sebastien Bonnet, Assoc. Prof. Dr. Poonpipope Kasemsap and Dr. Praphan Prasertsak, for their valuable guidance, helpful, and support during the study. I would like to sincerely thank to the Department of Agricultural Extension, Ministry of Agriculture and Cooperatives for supporting the implementation and providing staff for data collection. Also, I wish to thank Mr. Chusak Fuckthong for his cooperation in conducted field experimental sites. Thanks are also to sugarcane farmers for their cooperation in taking part in the survey. Deep gratitude is to Dr. Sathaporn Jaiarree, Dr. Duangrat Satakhun, Dr. Chompunut chayawat, Dr Komsilp Wangyao, Dr. Ubonwan Chaiyo, Ms. Laksana Treepetch, and Ms. Chayani Sangsue for their support and valuable assistance during the study.

I would like to extend thanks to the Joint Graduate School of Energy and Environment, the Center of Excellence on Energy Technology and Environment, S&T Postgraduate Education and Research Development Office, the Commission on Higher Education, Ministry of Education, Bangkok, Thailand for providing financial support.

Finally, I would also like to take this opportunity to express acknowledge to my family member for their incessant encouragement and financial support throughout my study.
