

## ACKNOWLEDGEMENTS

I would like to express gratitude to my advisor and co-advisor, Assoc. Prof. Dr. Pornkasem Jongpradist and Asst. Prof. Dr. Sompote Youwai for excellent guidance and strong support throughout my study. Without their help in both academic and personal concerns, this thesis work could not have been completed.

Sincere appreciation is also extended to the other members of the committees, Asst. Prof. Dr. Warat Kongkitkul for his help, encouragement, suggestions, constructive comments and serving as members of my thesis examination committees.

Thanks are also extended to the geotechnical students for their kind and valuable encouragement. Finally, I would like to thank my parents and my family for their constant love, strong support and encouragement during studying at King Mongkut's University of Technology Thonburi.
