THEERA CHAIYANONT : A PLAN BEFORE THE RETIREMENT LIFE ON NON-COMMISSIONER POLICE IN THE METHROPOLITAN POLICE DIVISION 1-9 OF THE METROPOLITAN POLICE BUREAU. THESIS ADVISORS : SUPACHAI SUKARAWAN, M.S., THAWACHCHAI CHAIJIRACHAYAKUN, Ph.D., SIRICHA CHINATANGUL, Ph.D., 92p. ISBN 974-663-323-6

The purpose of this stud was to investigate the future plan before retirement of the non-commissioner police in the metropolitan police devision 1-9 under the Metropolitan Police Bureau as well as to find out the relationship between the designated variables and the five-area of future plan namely : physical, mental, social, economic, and housing. Questionnaire prepared by the researcher was used for data collection. The subjects for study were 180 non-commissioner police of the metropolitan police devision 1-9.

It was found that, according to the physical, mental, social, economic, and housing areas, the subjects needed most to have permanent housing for their family after retirement. They at present live in the houses or flats provided by the government. They also needed to five another job for income earning to support family after retirement other than their small amount of pension. They did not need or had problems in the areas of physical, mental and social

From the findings, it is recommended that the police units organize an association or club for the policemen to exchange ideas on and to prepare for retirement so that their needs for extra earning from new career after retirement can be taken into account.
