

TABLE OF CONTENTS

Chapter	Page
1 INTRODUCTION	1
Background	1
Objective of the study	3
Significance of the study	4
Scope and limitation of the study	4
Definition of terms	4
2 REVIEW OF THE LITERATURE	5
Basic information on science education of Malaysia and Thailand	5
Pedagogical Content Knowledge (PCK)	8
Orientations to Teaching Science	11
Related studies	14
Conclusion	17
3 METHODOLOGY	18
Research participants	18
Research tools	18
Research method	19
Statistic and data analysis	22
4 RESULT OF THE STUDY	23
The results of research tool development	23
The results of quantitative strand	26
- The result of Thai teachers	26
- The result of Malaysian teachers	30
- The comparison between two countries	33
The results of qualitative strand	40
Conclusion	44

5 CONCLUSION, DISCUSSION, AND	
RECOMMENDATION	45
Objectives of the study	45
Significance of the study	45
Scope and limitation of the study	45
Research Participants	46
Research tools	46
Research method	46
Conclusion of research results	47
Discussions	48
Recommendation	51
 BIBLIOGRAPHY	 52
 APPENDIX	 54

LIST OF TABLE

Table	Page
1 The goals of different orientations to teaching science	12
2 The nature of instruction associated with different orientation to teaching science	13
3 A Thai version Orientations towards Teaching Science Scale	24
4 Individual Item Fit Statistics of Rasch Analysis for Thai data	27
5 Item and Person Measures Summary Statistics for Thai data	29
6 Individual Item Fit Statistics of Rasch Analysis for Malaysia data	30
7 Item and Person Measures Summary Statistics for Malaysia data	33
8 Orientation to Teaching Science of Malaysian Teachers	34
9 Orientation to Teaching Science of Malaysian Teachers categorized into 3 groups	35
10 One-way ANOVA result from Malaysia data	35
11 The result of Post-hoc test from Malaysia data	36
12 Orientation to Teaching Science of Thai Teachers	36
13 Orientation to Teaching Science of Thai Teachers categorized into 3 groups	37
14 One-way ANOVA result from Thai data	38
11 The result of Post-hoc test from Thai data	38

LIST OF FIGURE

Figure	Page
1 Components of pedagogical content knowledge in science teaching.....	11
2 Trends of teachers' orientation to teaching science from the two countries.....	39
3 Thai teacher's orientation to teaching science.....	40
4 Malaysian teacher's orientation to teaching science.....	43
