

VITA

Name	Miss Sutthinee Maitreesorasun
Date of Birth	December 21, 1985
Address	141 Somdejchaopraya Rd., Klongsan, Bangkok 10600
Mobile phone	081-426-5523
Academic status	B.S. (Chemistry) degree from Thammasat University, 2008

List of Publications

1. Vachirapatama, N., and Maitreesorasun, S., Analysis of food safety by capillary electrophoresis, 35th Congress on Science and Technology of Thailand at the Tide Resort (Bangsaen Beach), Chonburi, Thailand, October 15-17, 2009.
2. Maitreesorasun, S., and Vachirapatama, N., Method development for the determination of simultaneous cationic nutrients in fertilizers by capillary electrophoresis, Pure and Applied Chemistry Conference 2010 (PACCON 2010), Sunee Grand Hotel and Convention Center, Ubon Ratchathani, Thailand, January, 21-23, 2010. (Poster presentation).
3. Maitreesorasun, S., and Vachirapatama, N., The analysis of nutrients in fluid fertilizer by capillary electrophoresis, Science and Technology for Community Development and Delighted Society, Thammasat University at Rangsit Campus, Pathumthani, March, 19, 2010. (Oral presentation).
4. Vachirapatama, N., Chamroenchua, P., and Maitreesorasun, S., Determination of cations in Moringa Oleifera and Moringa Stenopeta leaves by capillary electrophoresis, Submitted to Journal of Science and Technology (Thammasat University), 2011. Article Code 54-009.
5. Vachirapatama, N., Sripumma, T., and Maitreesorasun, S., Determination of potassium, calcium, magnesium and chloride in coconut water by capillary electrophoresis, Submitted to Journal of Science and Technology (Thammasat University), 2011. Article Code 54-010.
6. Vachirapatama, N., and Maitreesorasun, S., Fast simultaneous determination of cationic nutrients in fertilizers by capillary electrophoresis, Submitted to Analytical and Bioanalytical Chemistry (2011).
