

ACKNOWLEDGEMENTS

This independent study could not have been accomplished if I had not received the kind support of many people. I am very thankful to my advisor, Asst. Prof. Dr. Somsook Khongpun, whose encouragement, supervision and support enabled me to develop an understanding of the study. Her guidance, valuable comments, and suggestions were greatly appreciated. My gratitude is also extended to all the instructors and staff at the Language Institute, Thammasat University, for their help and support.

I would also like to express my thanks to all my classmates for their encouragement and support throughout the study. Lastly, I am eternally indebted to my beloved family for the understanding, love, and support that I have always received from them.
