VITA

- Name** Miss Wannasiri Wannasit
- Date of Birth** December 22, 1982.
- Education Background** Bachelor of Science (B.S.) (Mathematics)
from Chiang Mai University in 2005,
Chiang Mai, Thailand.
Master of Science (M.S.) (Mathematics)
from Chiang Mai University in 2008,
Chiang Mai, Thailand.
- Scholarship** Development and Promotion of Science and
Technology Talents Project (DPST) in 1998-2012
- Publications**
- (1) W. Wannasit and S.I. El-Zanati, On the cyclic G -designs where G is a cubic tripartite graphs, *Discrete Math.* **312** (2012), 293–305.
 - (2) W. Wannasit and S.I. El-Zanati, On free α -labelings of cubic bipartite graphs, *J. Combin. Math. Combin. Computing*, to appear.
 - (3) W. Wannasit and S.I. El-Zanati, On graceful cubic graphs, *Congr. Numer.*, to appear.
