

ACKNOWLEDGEMENTS

This independent study could not have been completed without the assistance of a number of people from my academic and personal life.

First, I would like to express my sincere gratitude to Asst. Prof. Dr. Monnipha Somphong, my advisor, for her great kindness, her invaluable advice and for always being very understanding. My appreciation is also expressed to my classmates TEFL11 who always supported and encouraged me.

Next, I am grateful to all of my professors at Chulalongkorn University and TEFL program at Thammasat University. Moreover, my deeply gratitude go to all English teachers at Chulalongkorn University Demonstration Secondary School who participated in this study for their extended support, valuable comments and suggestions (especially, Ajarn Pornpun Vimooktalop and Ajarn Pisantanee Sridurongrit). I also appreciate the assistance of Khun Jiraporn Petchthong, the staff of Language Institute, Thammasat University.

Moreover, my deepest thanks go to Mrs. Patsuda Luichant, my colleague at Thai Airways and my classmate at TEFL for inviting me to further study and being my wonderful classmate.

Special thanks are due to my friends at Thai Airways for their kind support and Mr. Ronakorn Damrongsakd whose endless support and understanding have been profound throughout the difficult times of this course.

Last, but not least, I am thankful to my beloved parents who taught me the value of education, my sisters and brother. Their unconditional love is the source of my strength.
