

Table content

Table	Page
3.1 Rice bran stabilization methods	18
4.1 Effect of stabilization of rice bran by domestic heating on moisture content of rice bran and extraction yield of cold-pressed rice bran oil	33
4.2 Effect of stabilization of rice bran by domestic heating on color of cold-pressed rice bran oil	34
4.3 Effect of stabilization of rice bran by domestic heating on chemical property of cold-pressed rice bran oil	37
4.4 Effect of stabilization of rice bran by domestic heating on phytochemical content of cold-pressed rice bran oil	38
4.5 Proximate compositions of Sangyod rice bran	42
4.6 Oil yield of Sangyod rice bran oil	44
4.7 Chemical characteristics of Sangyod rice bran oil	46
4.8 Fatty acid composition of Sangyod rice bran oil	47
4.9 Vitamin and phytochemical contents of Sangyod rice bran oil	50
4.10 Element contents of Sangyod rice bran oil	52
