I would like to express my gratitude to many people who have assisted me to complete this project in several ways. First, I would like to express my gratitude to Bangkok University, for funding this research project. Next, I would like to thank Professor Dr. Harmen Oppewal for providing his valuable comments for research design and questionnaire design. My special thanks to Associate Professor Wathna Soonthorndhai and Associate Professor Dr. Yothin Sawangdee for constructive comments for questionnaire design, sampling techniques, statistical analyses and writing up of this report.

I also would like to thank Professor Dr. Nongluck Wiratchai and Bangkok University Ethics Committee for Human Research for reviews and comments of the questionnaire. I would like to extend my appreciation for Associate Professor Dr. Suthinan Pomsuwan and Assistant Professor Paul Launglath for their useful advices and moral support. Many thanks go to staff of Bangkok Poll for their kind assistance with the data collection at Suvarnabhumi International Airport. I also would like to thank staff of Institute of Research Promotion and Innovation Development for their kind support with this project, particularly to Dr. Mayuree Suacamram. Next, I would like to also thank to anonymous peer reviewers of this report for their helpful comments. Last but not least, I thank my family for providing their unconditional support whenever it is needed. Without these special people, the completion of this report will not be possible.
