VITA

Miss Soparat Yudthavorasit was born on June 25, 1985, in Bangkok, Thailand. She had graduated a Bachelor's degree of Science in Chemistry from Mahidol University in 2007. Afterwards, she continued her academic education for Master degree at Department of Chemistry, Faculty of Science, Chulalongkorn University. She had completed the program in September 2009 and received her Master's degree of Science in Analytical Chemistry in July 2010.
