Jan. 05, 2015

ACCEPTANCE/INVITATION LETTER

Wanida Jinsart,
Department of Environmental Science,
Faculty of Science, Chulalongkorn University, Bangkok, Thailand.

To Whom It May Concern,

International Conference on Biological, Civil and Environmental Engineering (BCEE-2015) that will take place on Feb. 3-4, 2015 Bali (Indonesia) aims to bring together researchers, scientists, engineers, medical practitioners and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of science, engineering and medical sciences, and discuss the practical challenges encountered and the solutions adopted.

Herewith, the Scientific and Technical Committee of International Institute of Chemical, Biological & Environmental Engineering is pleased to inform you that the peer-reviewed & refereed conference paper id: C0215048, titled as "*Evaluation of Urban Ozone Formation by Photochemical Ozone Creation Potential Indices and Generalized Additive Model*" and authored by Sirithorn Saengsai, and Wanida Jinsart, has been accepted for Oral presentation at the conference and publication in Proceedings of the Bali conference Feb. 2015.

We would like to kindly invite Wanida Jinsart, to present the research paper at the conference site in Bali. We would greatly appreciate if you could facilitate granting the conference delegate the necessary visa.

Sincerely Yours,

Conference Secretariat
