

**This Thesis is Dedicated to my Parents for Endless Their Love,
Support and Encouragement without any Conditions**

ACKNOWLEDGMENTS

I would like to express my deepest and sincere gratitude to my supervisor, Asst. Prof. Dr. Pakawadee Kaewkannetra, for her guidance, supervision, support, understanding and kindness in providing an opportunity to be here. In addition, she also stood beside me in all difficulties that faced me during study.

I would like to express my greatest appreciation to Asst. Prof. Dr. Paiboon Danvirutai for his co-supervision, kindness, useful comments and his valuable advices that made some of my inspiration to work.

I would like to express my deepest and sincere gratitude to Prof. Dr. Tsuyoshi Imai for his suggestions and kindness in providing all opportunities to attend to Yamaguchi University, Japan. I would like to grateful my graduate committees, Assoc. Prof. Dr. Pornthap Thanonkeo for his suggestions and comments on this thesis.

I would like to extend my sincere thanks to all staffs in the Department of Biotechnology for help and support. Special thanks to my best friend Dr. Wichai Soemphol who was suggesting me thoughtout the period of my study as well as Dr. Jantima Teeka, Mr. Likit Sirisantimethakhom, Mr. Sunan Nualpeng, Miss Jutharat Singhaboot, Miss Yuwares Pengcharoen and all colleagues on fourth floor laboratory room for their encouragement, help and supports.

I would like to sincerely acknowledge Fermentation Research Center for Values Added Agricultural Product (FerVAAP), Faculty of Technology, Khon Kaen University and National Research Council of Thailand (NRCT) for financial contribution, JSPS-NRCT under Asian Core Program (ACP) for young scientist exchange and collaborative research, and Graduate School of Khon Kaen University for The Innovation Potential Research Proposal for High Social Impact Scholarship.

Finally, my deepest and special thanks are due to my beloved father and mother for their support, patience and encouragement throughout the period of my life.

Varavut Tanamool
