

ACKNOWLEDGEMENTS

I would like to express my gratitude to the Royal Golden Jubilee Ph.D. Program and the Senior Research Scholar Project of Professor Dr. Aran Patanothai under the Thailand Research Fund (TRF) for providing me the scholarship throughout my study at Khon Kaen University.

I am grateful to my advisor, Dr. Banyong Toomsan who worked very hard with my field works and preparation of my manuscript, especially his effort to push, support and encourage me in this study. The valuable guidance, advice and editorial advice of the co-advisor Assoc. Prof. Dr. Patma Vityakon Rambo and Assoc. Dr. Viriya Limpinuntana are greatly appreciated. Special thanks go to Prof. Dr. Georg Cadisch for his valuable guidance, keen supervision and constructive suggestions. Thanks to my thesis examination committees, Assoc. Prof. Dr. Chutipong Akkasaeng and Dr. Chairroj Wongwiwatchai for their valuable comments and suggestions.

I would like to thank Miss Monlika Srichantawong, Mrs. Sopapit Potisat, Mrs. Paiwan Promtakai, Mrs. Nikom Tongbantoom, Miss Warunpan Satjawanit, Miss Wiparat Kitkem, Miss Ramnapa Ta-on and Mr. Chiyan Pakdeethai for assisting me in field works, soil and plant analysis. Special thanks also go to Ph.D. students, Miss. Sukunya Promsakha Na Sakonnakhon, Miss Saowakon Hemwong and a special thank to Miss Wanwipa Kaewpradit to help in checking the proofs of the manuscript.

My thanks are also extended to my colleagues at Khon Kaen Field Crop Research Center for their assistance and support. Special thanks are offered to the former directors, Mr. Dhanit Sophanodora, Mr. Somyot Pichiporn and especially the present director, Mr. Dhewa Maolanon. Thanks Dr. Piangpen Sarawat and Dr. Suchirat Sakuanrungririkul, for their support, encouragement and valuable comments. My gratitude is extended to my friends from Ag. 13, KKU and Suranaree School who always encourage and support me all the time.

Finally, I would like to express my love and thanks to my family for their love, pushing cheerfulness, supporting and encouragement until my thesis is accomplished.
