

## **ACKNOWLEDGEMENTS**

I owe my deepest gratitude to Vongchavalitkul University for being gracious to fund and permitting me to conduct this research. I am grateful to my adviser, Assoc. Prof. Dr. Puangpen Intraprawat, who has helped me developing and understanding the subject of my research. I am indebted to Dr. Aurawan Weerawong-Plantenga of Srinakharinwirot University Bangkok for being generous and kind in giving her time and in sharing her ideas regarding my research. I am also thankful to Dr. Wuttichai Chongkumnungsil of Nakhon Ratchasima Rajabhat University for permitting me to use his students to try out my questionnaires. Many thanks to my Filipino colleagues and friends who validated my questionnaires and Mrs. Sopa Pitakwong for translating my questionnaires. Last but not the least, I would like to thank Mr. Jirawoot Kujapun for helping me analyzing the results of my data. Above all, I owe everything to our Almighty God for the strength and wisdom and my family to be my all-time inspirations.
