Abstract

This research aimed at collecting and organizing the information about the Community resources which related to the content of science subject in the lower secondary school in Khon Kaen area

The datas were collected by the researcher using interviewed check-list and tape recorder.

The research findings revealed that there were 28 community resources: 24 government organizations; and 4 private organizations as in the following:

The 24 government organizations were:

1. Khon Kaen Water Supply.
2. Electricity Generating Authority of Thailand Region 2

Ubolratana Dam

3. Faculty of Agriculture Khon Kaen University.
4. Faculty of Technology Khon Kaen University.
5. Faculty of Science Khon Kaen University.
6. Large Impoundment Fisheries Development Station

(Ubolratana Reservoir).

7. Khon Kaen Air Port.
8. Khon Kaen Post & Telegraph Office.
9. Malaria Center Region 3 Khon Kaen.
10. Maternal and Health Center Region 4 Khon Kaen.
11. Synoptic Station Khon Kaen.
12. Khon Kaen Sericultural Experiment Station.
13. Tapra Live Stock Resources and Breeding.
14. Khon Kaen Fresh Water Fisheries Station.
15. Tapra Artificial Insemination Resources Center.
16. North East Institute for Skill Development.
17. North East Regional office of Agriculture.
18. Irrigation Regional office Number 4.
19. Department of Mineral Resources Region 4.
20. Divisional Forest office Khon Kaen.
21. The Communications Authority of Thailand.
22. Instructional Resource Center Khon Kaen University.
23. Plant Protection Service Unit 2 Khon Kaen.

24. The Cold Storage Organization

The 4 private organizations were :

- (1) Thai Pure Drink Company Limited
- (2) Khon Kaen Sugar Industry Company Limited
- (3) Phoenix Pulp & Paper Company Limited
- (4) the Fish Sauce Factory of Srichai Platip

All those community resources are very useful for all 18 lessons in the lower secondary school science texts
