

## ACKNOWLEDGEMENTS

This study would not have been completed without the support from many people whom I am greatly indebted. First of all, I would like to express my gratitude to Ajarn Supong Tangkiengsirisin, my advisor who not only taught me academic writing but also provided me with valuable advice. Without the support, this study would not have been completed.

I am also indebted to all the M.A. teachers who tirelessly assisted me in enhancing my English writing. Moreover, I would like to thank my classmates and my family for their support and encouragement. Lastly, I would like to express my gratitude to all the respondents who dedicated their time and efforts to answer the questionnaires and gave me great insight by sharing their comments and suggestions.
