|---|-------------|
| LIST OF TABLES                                | iii         |
| LIST OF FIGURE                                | vii         |
| CHAPTER I INTRODUCTION                        | 1           |
| Problem Statement                             | 2           |
| Objectives of the Study                       | 3           |
| Expected Results                              | 4           |
| Scope of the Study                            | 4           |
| Definition of Terms                           | 4           |
| CHAPTER II REVIEW OF LITERATURE               | 6           |
| Solid Waste                                   | 6           |
| Solid Waste Separation                        | 9           |
| Solid Waste Management                        | 10          |
| Awareness                                     | 15          |
| Communication                                 | 16          |
| Media Exposure                                | 18          |
| Kasetsart University                          | 21          |
| Vehicle, Building and Physical Plant Division | 22          |
| Related research                              | 25          |
| Conceptual Framework                          | 30          |
| Hypotheses                                    | 31          |
| CHAPTER III METHODOLOGY                       | 33          |
| Research Design                               | 33          |
| Population                                    | 33          |
| Research Instrument                           | 34          |
| Measurement of Data                           | 35          |

| Data Collection                           | 37          |
| Data Analysis                             | 37          |
| CHAPTER IV RESULTS AND DISCUSSION         | 38          |
| Results                                   | 38          |
| Discussion                                | 68          |
| CHAPTER V CONCLUSIONS AND RECOMMENDATIONS | 72          |
| Conclusion                                | 72          |
| Recommendation                            | 73          |
| Suggestions for Further Study             | 74          |
| REFERENCES                                | 75          |
| APPENDIX                                  | 79          |

**LIST OF TABLES**

| <b>Table</b> |  | <b>Page</b> |
|--------------|--|-------------|
| 1            | The Volume of Waste Collected in Kasetsart University from 2002-2004   | 23          |
| 2            | Sanitation Workers from 13 Faculties at Kasetsart University,<br>Bangkhen Campus   | 33          |
| 3            | Demographics of Sanitation Workers at Kasetsart University,<br>Bangkhen Campus   | 39          |
| 4            | Knowledge on Solid Waste Separation Management   | 41          |
| 5            | Level of Knowledge of Kasetsart University Sanitation Workers<br>Classified by Number and Percent  | 45          |
| 6            | Kasetsart University Sanitation Workers Media Exposure<br>on Solid Waste Separation Classified by Source of Media                        | 46          |
| 7            | Media Exposure of Kasetsart University Sanitation Workers<br>on Solid Waste Separation Management Classified by Number<br>and Percentage | 47          |
| 8            | The Effect of Media Source on Solid Waste Separation Behavior<br>of Kasetsart University Sanitation Worker                               | 48          |
| 9            | Level of Awareness on Solid Waste Separation Management of<br>the Kasetsart University Sanitation Workers Classified by Item             | 49          |

**LIST OF TABLES (CONTINUED)**

| <b>Table</b> |  | <b>Page</b> |
|--------------|--|-------------|
| 10           | Level of Awareness on Solid Waste Separation Management of the Kasetsart University Sanitation Workers | 53          |
| 11           | Level of Awareness Classified by Number and Percent  | 54          |
| 12           | Relationship between Sex and Awareness on Solid Waste Separation Management                            | 54          |
| 13           | Relationship between Age and Awareness on Solid Waste Separation Management                            | 55          |
| 14           | Relationship between Type of Employment and Awareness on Solid Waste Separation Management             | 56          |
| 15           | Relationship between Education and Awareness on Solid Waste Separation Management                      | 57          |
| 16           | Relationship between Length of Working Experience and Awareness on Solid Waste Separation Management   | 58          |
| 17           | Relationship between Level of Knowledge and Awareness on Solid Waste Separation Management             | 59          |
| 18           | Relationship between Media Exposure and Awareness on Solid Waste Separation Management                 | 60          |

**LIST OF TABLES (CONTINUED)**

| <b>Table</b> |   | <b>Page</b> |
|--------------|---|-------------|
| 19           | Relationship between Kasetsart University's Public Relations Media Documents Exposure and Awareness on Solid Waste Separation Management                          | 61          |
| 20           | Relationship between Superior/boss Exposure and Awareness on Solid Waste Separation Management  | 62          |
| 21           | Relationship between Teacher Exposure and Awareness on Solid Waste Separation Management  | 63          |
| 22           | Relationship between Colleague Exposure and Awareness on Solid Waste Separation Management  | 64          |
| 23           | Relationship between Level of Effect of Kasetsart University Media Exposure on Solid Waste Separation Behavior and Awareness on Solid Waste Separation Management | 65          |
| 24           | Relationship between Level of Effect of Kasetsart University's Public Relation Media Documents and Awareness on Solid Waste Separation Management                 | 66          |
| 25           | Relationship between Level of Effect of Superior/boss Exposure and Awareness on Solid Waste Separation Management   | 67          |
| 26           | Relationship between Level of Effect of Teacher Exposure and Awareness on Solid Waste Separation Management   | 68          |
