

ACKNOWLEDGEMENTS

I would like to sincerely express my appreciation and gratitude to Prof. Dr. Onanong Naivikul my thesis advisor for her advice, encouragement and valuable suggestions throughout the study. I would like to send my gratefulness to my committee, Assoc. Prof. Dr. Chockchai Theerakulkait and Asst. Prof. Dr. Namfone Lumdubwong, and also Asst. Prof. Dr. Werasit Sunpamongkolchai from Graduate School for their valuable comments and suggestions. I also would like to thank to all faculty members and staffs in the Department of Food Science and Technology, Faculty of Agro-Industry, Kasetsart University for their helpful assistance through out my study.

I would like to grateful thank to Prof. Dr. Bruce R. Hamaker, director of the Whistler Center for Carbohydrate Research, Department of Food Science, Purdue University, USA, for his kindly providing SEC-RI-MALLS and also his valuable suggestions throughout my one-year research work in USA. I also would like to sincerely thank to all faculty members and staffs in the Department of Food Science, Purdue University, especially the Department Head, Prof. Dr. S. Suzanne Nielsen for the warm welcome and kindness.

I would like to thank my friends both in Thailand and USA, you guys made me know how important of the word “FRIENDSHIP”. I am heartfelt thank to all members of the Rice and Starch Research Laboratory, Department of Food Science and Technology, Kasertsart University for their kindly assistance. I also would like to thank all faculty members in the Department of Food Science, Burapha University, for their support during my study.

I am especially appreciated my parents for their endless heartfelt support, love and care. I just want you to know “I am really proud to be your daughter”.
