CURRICULUM VITAE

Name Ms. Piyamat Somphee

Date of Birth November 23, 1977

Education Background

1996-1999 B.S. (Agriculture), in the major of Plant Science (Ornamental Horticulture), Department of Horticulture, Faculty of Agricultural Production, Maejo University

2000-2003 M.S. (Agriculture), in major of Soil Science, Department of Soil Science and Conservation, Faculty of Agriculture, Chiang Mai University

Scholarship

2007-2009 The center of Excellence on Agricultural Biotechnology, Science and Technology Postgraduate Education and Research Office, Office of Higher Education Commission, Ministry of Education (AG-BIO/PERDO-CHE)

Working Experience

2002-2004 Assistant Researcher in "Production of bio-organic fertilizer for increasing plant nutrients project" at Department of Soil Science and Conservation, Faculty of Agriculture, Chiang Mai University

2004-present Scientists at Office of Agricultural Research and Development Region 5, Department of Agriculture, Ministry of Agriculture and Cooperatives

Academic conference

Oral presentation in the topic "Effect of cow manure composting on survival of *Escherichia coli*" has presented in the 2th CMU Graduate Research Conference, held on November 26, 2010 at Chiang Mai University, Chiang Mai, Thailand.

Oral presentation in the topic "Potential of real-time PCR for detection of *Escherichia coli* and *Salmonella* spp." has presented in the 4th AG-BIO/PERDP Graduate Conference and

University of Tsukuba-Kasetsart University Joint Seminar, held on December 9-10, 2010 at Kasetsart University Kamphaeng Saen Campus, Nakhon Pathom, Thailand.

Oral presentation in the topic "Effect of cow manure composting on survival of *Escherichia coli* and *Salmonella* spp." has presented in the 19th National Graduate Research Conference, held on December 23-24, 2010 at Rajabhat Rajanagarindra University, Chachoengsao, Thailand.

Oral presentation in the topic "Application of cow-manure composted to reduce *Escherichia coli* contamination in stink weed and peppermint production for export", has presented in the 49th Kasetsart University Conference, held on February 1-4, 2011 at Kasetsart University, Bangkok, Thailand.
