

ACKNOWLEDGMENT

I would like to express my deep and sincere gratitude to my supervisor, Associate Professor Anchalee Suddhiprakarn. Her knowledge and her logical way of thinking have been of great value for me. Her understanding, encouraging and personal guidance have provided a good basis for the present thesis.

I am deeply grateful to the co-advisor, Professor Irb Kheoruenromne for his detailed and constructive comments, and for his important support throughout this work.

I am also sincerely grateful to Professor Robert J. Gilkes, Soil Science and Plant Nutrition, School of Earth and Geographical Sciences, University of Western Australia for his encouragement, kind suggestions and support.

I wish to express my warm and sincere thanks to Associate Professor Naulchavee Roongtanakiat, Department of Radiation and Isotopes, Faculty of Science, Kasetsart University, a committee member and also Dr. Kanica Yoothong, an external examiner, for their kind suggestions and comments.

I wish to extend my warmest thanks to all my friends and colleagues at the Soil Survey Group in the Department of Soil Science at Kasetsart University for their interest and support during the course of my work, especially Dr. Sumitra Watana who helped me in all the time of research and also Ms. Naruekamon Janjirawuttikul, Ms. Chuthamard Kaewmano, Dr. Punyisa Trakoonyingcharoen, Dr. Supicha Thanachit, Dr. Wanpen Wiriyaakitnateekul, Ms. Napaporn Wongpokhom, Ms. Nuttaphorn Prakongkep, Mr. Patharodom Chainarong, Mr. Pornprom Promdecha and Mr. Thanapol Srisupha-olarn for all their help.

My sincere thanks are to Dr. Saowanuch Tawornprek, Mr. Piboon Kanghae and Dr. Somchai Anusontpornperm for their help.

I would like to acknowledge the Soil Mineralogy Group of Soil Science and Plant Nutrition, School of Earth and Geographical Sciences, University of Western Australia for their welcoming approach and technical supports, especially Dr. Michael Smirk, Dr. Nui Milton, Dr. Rob Hart, Dr. Babir Singh, Dr. Jian Li, Dr. Kathy Snars, Dr. Joko, Dr. Wawan and Dr. Andrew.

I am grateful to The Royal Golden Jubilee Ph.D. Programme, Thailand Research Fund, for the financial support of the study.

Above all, I am very grateful to my parents and my sister and brother for their loving support.
